Bachelor of Science(BSC), Leo Institution Banswara Rajasthan, 2020-2022 Per: 65

SKILLS

Programming Languages -	JavaScript, Java
Libraries -	React.js, Redux
Web Technologies -	HTML, CSS
Frameworks -	Bootstrap, SpringBoot
Programming Paradigm -	Object-Oriented
Database -	MYSQL
Soft Skills -	Excellent communication, Problem-solving
Others -	Git and GitHub

EXPERIENCE

React-JS Developer Jan 2024 - July 2024

Git Valley Technologies, Surat, Gujarat

- Developed and Implemented key functionalities for an Online Food Ordering Website Using JavaScript, React.js.
- Collaborated with the backend to integrate APIs, enhancing app functionality and performance.
- Built reusable, optimized UI components using **React.js** and **Redux**, contributing to a modular and scalable codebase. Reduced page load times by **20%** through code optimization and lazy loading, improving user satisfaction and retention.
- Develop React interfaces for an enhanced and user-friendly customer experience.
- Managed state effectively with **Redux**, enhancing the user experience through real-time updates and efficient data flow in the application.

PROJECTS

Online Burger Delivery App

JavaScript, React, Redux.

- Utilized React.js for building a dynamic, responsive user interface, enabling customers to customize and place burger orders.
- Managed state efficiently using Redux for handling user data, order tracking and shopping card functionality.
- Designed a seamless and interactive user experience with real-time updates on order selections and pricing.
- Implemented a dynamic 'scroll-to-top' button that appears when the user scrolls to the bottom, enhancing user navigation and experience.

Smart Contact Manager

Java, SpringBoot, Hibernate, MySQL, Thymleaf

- Developed Contact Manager Project with role-based security.
- Enabled functionalities to add, delete, update, view and manage contacts.
- Ensured privacy by restricting access to logged-in user's information & Focused on creating secure and user-friendly applicaton.

Declaration

I consider myself well familiar with my field and believe that my knowledge is well-cultivated to contribute effectively to your company. I hereby declare that the information furnished above is true to the best of my knowledge and belief.
